CLASS

3

### INSTRUCTIONS AND INFORMATION FOR THE CANDIDATE

#### GENERAL

1. Do not open the booklet until told to do so by your teacher.
2. No calculators maths stencils, mobile phones or other calculating devices are permitted. Scribbling paper, graph paper, ruler and compasses are permitted, but are not essential.
3. Read the instructions on the answer sheet carefully. Ensure your name, school name and class are entered. It is your responsibility to correctly code your answer sheet.

#### THE ANSWER SHEET

1. Use an HB pencil or a Blue/Black ball point pen only to record your choice of answer in the Answer sheet.
2. Your answer sheet will be scanned. The optical scanner will attempt to read all markings even if they are in the wrong places, so please be careful not to write anything extra on the answer sheet.
3. If you want to change an answer or remove any marks, use a plastic eraser and be sure to remove all marks and smudges.
4. Fill your enrollment number clearly, improper enrollment number may lead to unavailability of result.
5. Please fill your Mobile Number clearly on the Answer Sheet, we will share your marks / result and other information related to AOS exams on your mobile number.
6. All questions are compulsory and there is no negative marking.
7. Return the ANSWER SHEET to the invigilator at the end of the exam.

#### INTEGRITY OF THE COMPETITION

The AOS reserves the right to re-examine students before deciding whether to grant official status to their score.

ENROLLMENT NUMBER : \_\_\_\_\_ CLASS : \_\_\_\_\_

STUDENT NAME : \_\_\_\_\_ Contact No : \_\_\_\_\_

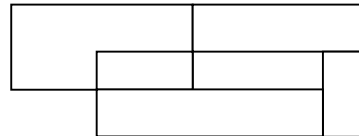

1. If 18<sup>th</sup> of a month falls four days after Sunday, on what day will 5<sup>th</sup> of the month fall?  
 a) Thursday                      b) Friday                      c) Saturday                      d) Sunday

2. Reshma wrote a problem on the board, she forgot one digit. That digit is \_\_\_\_\_

$$13 + 8 + 34 + 17 + 12 + 7 = 95$$

- a) 3                                      b) 4                                      c) 5                                      d) 6
3. Which word is different from the other ?  
 a) Father                              b) Mother                              c) brother                              d) family

4. How many rectangles are there in the given figure?

- a) 8                                      b) 9                                      c) 10                                      d) 11
5. What number will comes next in the series  
 4, 5, 7, 10, 14, \_\_\_\_\_  
 a) 15                                      b) 17                                      c) 19                                      d) 21

6. Which of the following figure is a pentagon ?

7. Rekha is standing in a queue. If she is 7<sup>th</sup> from left and 14<sup>th</sup> from right, how many people are standing in the queue?  
 a) 7                                      b) 21                                      c) 20                                      d) 22

8. How many more parts must be shaded to make the fraction  $\frac{8}{10}$ ?

- a) 4                                      b) 5                                      c) 3                                      d) 6

9. The smallest three digit number which is odd and a multiple of 3 .  
a) 102                      b) 101                      c) 105                      d) 109
10. Which of the following animal do not live in water  
a) Dolphin                      b) Octopus                      c) seahorse                      d) pigeon
11. It is a big plant with strong stem and branches, identify it.  
a) Rice                      b) Neem                      c) Cotton                      d) mint
12. Which of the following is not made from milk?  
a) Cheese                      b) butter                      c) curd                      d) cake
13. Changing of water vapours into water by cooling is called \_\_\_\_\_  
a) Precipitation                      b) evaporation                      c) condensation                      d) melting
14. Which body system includes the heart, arteries, veins and blood?  
a) Skeletal system                      b) Nervous system                      c) circulatory system                      d) digestive system
15. What is the formation of water droplets on the grasses in winter morning called?  
a) Fog                      b) Dew                      c) water                      d) snow

## Answer key

1 - c	2 - b	3 - d	4 - b	5 - c	6 - c	7 - c	8 - a	9 - c	10 - d	11 - b	12 - d	13 - c	14 - c	15 - b
